PROGRAM COMPLETED FOR THE NAVAL RESERVE DANCE

ANNUAL PROMENADE EXPECTED TO BE A GREAT SUCCESS—ARRANGE PROGRAM.

Everything is in readiness for the annual dance to be given in the Germania hall Monday evening by the Hancock Naval Reserve. Klinghamer's orchestra has been engaged and an interesting and popular group of dances has been selected by the committee.

The hall will be beautifully decorated with flags from the U. S. training ship Yantic, and the guns from the ship will be placed on the platform to give to the hall the appearance of a ship at sea. The orchestra will be situated behind the "breastworks" of guns and other apparatus used by the midshipmen in their sea life. Members of the organization will attend in uniform and the officers of the Calumet Engineers and Houghton Light Infantry have sent word to Lieutenant Henker that they will also attend in uniform.

The members of the Reserve have been selling tickets for the affair for the past few days and the demand is brisk.

Incidentally, the midshipmen expect to make the dance one of the features of the social year. The following dances have been selected by the committee and were announced this morning by Archie Mayotte, Jr., chairman of the arrangements committee:

Two step—"Spirit of Independence." Waltz—"Why Did You Make Me Care?"

Two step—"Where Did You Get That Girl?" Waltz—"Tenderloin."

Two step—"You Made Me Love You." Waltz—"I've Been Through the Mill."

Two step—"Goodbye Summer, So Long Fall, Hello Winter." Waltz—"Path of Flowers."

Two step—"Too Much Mustard." Waltz—"Dog of My Heart."

Two step—"San Francisco Round." Waltz—"Dream of Love."

Two step—"Everybody Loves a Chicken." Waltz—"When I Love You."

Two step—"Gertrude Hoffman Glide." Waltz—"Sunshine and Roses."

Two step—"Mellow Melody." Waltz—"Evening Glow."

Two step—"Round the Hall." Waltz—"Last Night Was the End of the World."

Members of the Reserve are already working on their annual ball which is to be given in the spring. They will put forth every effort to make this the most successful event of the season and with that in view, have already started to prepare for the occasion.

HOLD DRESS REHEARSAL.

Cast of "National Flower" Drills at Kerredge This Afternoon.

The cast selected some time ago, composed of students of the grades of the Hancock public schools, to stage the operetta, "National Flower," at the Kerredge theater, February 18, held a dress rehearsal at the local theater this afternoon. Nearly 200 students were at the rehearsal and all have various parts in the production of the operetta.

The production is to be staged under the direction of Miss Harriet Petrie, instructor in music in the Hancock schools. Miss Petrie has had much experience along the line of directing students for such affairs and a successful entertainment is assured.

The pupils went through their various parts with exactness this afternoon and the instructor feels certain that they will handle their lines with credit. Tickets have been on sale for several days and by the manner in which they have been disposed of, Superintendent Lee of the public schools believes a capacity house will greet the youngsters when they appear next Wednesday evening.

RASH ON ARMS ITCHED AND BURNED

Especially at Night. At Times Got No Sleep At All. Cuticura Soap and Ointment Cured.

400 South Homestead Ave., Chicago, Ill. "I was afflicted with a breaking out on the inside of my arms. It was a small rash or pimples and it itched and burned, especially at night, so that before I knew it I had made myself sore. I had to wear the finest kind of cotton underwear, no wool at all, because the least thing irritated it and made it much worse. The rash itched and smarted until at times I got no sleep at all."

"I had this trouble and took treatments for about one year, but they only gave me relief while taking them. Then I began using Cuticura Soap and Ointment and I got relief right away. I made a good strong lather of Cuticura Soap and washed myself every night and morning, drying myself with a good soft towel, and then applied the Cuticura Ointment. In three months I was well again." (Signed) H. W. Foley, Nov. 5, 1912.

ANOTHER CANDIDATE.

Davey Circulates Petition for Fourth Ward Aldermanship.

George W. Davey, a resident of the Fourth ward, announced himself this morning as a candidate for alderman of the Fourth ward to succeed A. B. Thoeny, who left the city several weeks ago to locate in Minneapolis. The petition of Mr. Davey was circulated through the city today and he has announced that he will run on the United City party ticket. He is considered a strong candidate and has had no difficulty in securing the required one hundred names for his nomination.

Matt Grekila announced himself this morning as a candidate for constable for the Fourth ward. He is the only candidate to date for this position. It has been the custom in the past to nominate the city police for office of constable, but there has been a tendency to gradually do away with this plan.

LOCAL CLERKS HAPPY.

Clerks and carriers of the Hancock postoffice rejoiced yesterday when informed that the appropriation bill of \$305,000, which recently passed the house, will mean something to them. The bill provides that in case of injury to employees of postoffices while on duty a full salary for one year with an additional half-year's salary if necessary, be paid, and a lump sum of \$2,000 in case of death.

A CLERGYMAN'S STORY

Came Near Losing His Life—How He Escaped

The following letter was received by The Peruna Co. from Rev. G. W. Roberts, R. R. 2, Box 27, Hartsell, Alabama, under date of April 2, 1904, which is exactly nine years ago.

REV. G. W. ROBERTS, R. R. 2, Box 27, Hartsell, Ala.

He says: "I take pleasure in informing you of what your Peruna has done for me after three years of suffering. I had tried the treatments of several doctors, also home remedies, but they failed and all hope had gone. My friends, like myself, thought I was in the last stages of consumption."

"My daughter brought me a bottle of Peruna and plead with me to try it. I had got so weak I had lost my voice, and I thought it no use. That was in May, 1902. I began to take it, according to directions. I wrote to you, and you gave me your kind advice."

"I soon felt better, my cough began to give way, and the expectation lessened. I have taken fourteen bottles. I feel well, eat hearty, sleep soundly, weigh as much as I ever did, do considerable work on my farm, and attend to my other business. My friends seem astonished at my recovery."

"I wish to thank you for your kind advice and the books you have sent me. I shall ever praise your medicine and hope that you may enjoy a long life."

It will be observed that Rev. Roberts waited two years after he began to use Peruna, before he wrote the above letter to The Peruna Co. So that his apparent recovery could not possibly have been temporary relief.

In a later letter to The Peruna Co., dated September 22, 1906, Rev. Roberts says: "I am a great friend of Peruna. By the use of Dr. Hartman's advice I am here to-day, able to be with my family and attend to my business."

We quote from another letter, dated December 10, 1906: "I praise Peruna to all the sick. The people know my case, and they praise it also."

In a letter dated November 22, 1909, we quote Rev. Roberts: "Peruna gave me back my life ten years ago. All my acquaintances know that. I am certainly thankful to you for your kindness."

In a later letter, dated January 13, 1910, he says: "I shall ever in the future, as in the past, be ready to speak in praise of Peruna to all sufferers. I believe my miraculous cure has been the means of many others being cured in this country."

From a letter of September 5, 1911, we quote a few words: "I am still among the living. As to Peruna, I do not feel that I have words to express the faith I have in its merits. I feel that Peruna has been the means, through the kind providence of God, of prolonging my life for more than ten years."

We quote a still later letter, October 31, 1912. He says: "I took a severe cold three weeks ago. I at once sent for Peruna. Have been taking it two weeks. I am now better. I consider that Peruna has carried me over a dozen years of life. I always stand ready to answer any question in reference to Peruna."

We quote from his last letter, dated January 2, 1913: "Dear Friends: I wish this bright New Year to express my thanks to you for your kindness. Trusting that you may have a successful and happy year, and that your medicine may prove a blessing to many as it has to me. I am yours as ever, G. W. Roberts, Hartsell, Alabama, R. R. 2, Box 27."

It is not necessary for us to add any words to this story. The eloquence and pathos of these letters are more convincing than arguments or affidavits. Who can doubt the clergyman's story? Who can doubt that Peruna saved his life?

Every home should be provided with the last edition of the "Bills of Life," sent free by the Peruna Co., Columbus, Ohio.
